“Yu Sheng Lo Hei” (Prosperity Toss) is an auspicious festive appetiser enjoyed during Chinese New Year amongst the Chinese in Singapore and Malaysia. The tossing of raw fish and other ingredients in the dish symbolises abundance and prosperity in the year to come.

魚生撈起(簡稱「撈起」)是新加坡及馬來西亞華人的傳統賀年家常菜。將菜式中的魚生及其他材料拌起，寓意在新的一年裡「風生水起」及「愈撈愈旺」。

Rituals and Meanings 風俗及寓意

Each ingredient in the dish is a symbol of prosperity. Before eating, all diners will stand around the table to toss the ingredients together with chopsticks. The higher the toss, the greater the prosperity.
