Annoushka x Gradini collaborate on A Dream Paradise Afternoon Tea

(Hong Kong, 3 June 2019) From 1 June to 31 July 2019, Gradini Ristorante E Bar Italiano presents the ultimate afternoon tea experience - “**A Dream Paradise Afternoon Tea**” in collaboration with UK fine jewellery brand Annoushka.

Taking his inspiration from Annoushka’s 18ct Gold, Diamond and Mother of Pearl Dream Catcher collection, Executive Chef Cano has recreated Annoushka’s designs in this limited edition afternoon tea. Putting his own whimsical twist on Annoushka’s bold designs, his sweet and savoury creations celebrate the colour, motif and texture of the Dream Catcher collection.

The mouth-watering afternoon tea features an array of miniature savoury treats including a **Homemade Foie Gras Mousse Mini Cone** which features velvet smooth foie gras mousse served in a crunchy mini cone; a **Milanese Saffron Risotto** with irresistible Fontina; a crispy **Mini Wagyu Burger with Honey Mustard Mayonnaise** and a refreshing **Smoked Duck Breast** served with sweet-and-sour mixed berry mayonnaise.

Taking inspiration from Annoushka’s Dream Catcher collection, Chef Cano has created a selection of pink-hued sweet treats that will make any dessert lovers’ heart skip a beat. The artfully hand-crafted bites include the eye-catching **Gold Moscato Jelly** made with fizzy mixed berry and an enticing **Chestnut Pink Pearl**. Also on offer is a tempting pink **chocolate-dipped strawberry** and a **pearly hued macaron** to satisfy your sweet-tooth.

To complement the decadent afternoon tea, each guest will have the choice of a freshly brewed Illy coffee or a selection of premium assorted whole-leaf tea by Tea WG.

In celebration of the collaboration, Annoushka's Dream Catcher collection will be showcased in the hotel lobby throughout June and July 2019. Patrons of the co-branded afternoon tea will also be eligible to receive a voucher (value: HK\$2,000) towards their very own piece of Annoushka jewellery while stock lasts.

Bursting with character and detail, Annoushka's work is a unique, sensory pleasure — whether it's a series of articulated claws on a pink sapphire crab locket, the delicate tinkle made by a tiny diamond clapper in a tulip drop or a smooth piece of ebony embedded in the inside of a ring. Annoushka designs from the heart, with a passion for colour and storytelling, gently tapping into contemporary currents of thought with pieces that speak to the emotional, social and talismanic power of jewellery.
