**Gradini X Annoushka  
Lovelocks Afternoon Tea at  
Gradini Ristorante E Bar Italiano**

**(Hong Kong, 16 February 2021)** — Gradini Ristorante E Bar Italiano at The Pottinger Hong Kong is collaborating once again with leading British jewellery brand Annoushka to launch the co-branded Lovelocks Afternoon Tea. Embark on this luxurious romantic journey as the tea set is available from now to 23 April 2021, 3pm to 5:30pm daily.

Inspired by the British contemporary fine jewellery brand Annoushka's "Lovelocks" collection where fine designer jewellery is embellished with precious gemstones, the culinary team at Gradini translates the powerful talismanic symbols into savoury bites including Lobster sandwich, Foie Gras with port wine jelly, Caviar with crab meat, and Mozzarella with tomato pesto. Sweets include an enticing selection of dainty desserts such as Lemon madeleines with gold chocolate, Honey jelly with gold leaf, Rose panna cotta with gold leaf, strawberry tart and Chocolate Truffle. Traditionalists will enjoy a selection of scones dressed with clotted cream and strawberry jam.

To complement the satisfying afternoon treats, guests can choose from our freshly brewed illy coffee or a selection of premium whole-leaf teas by Tea WG. Alternatively, two special Annoushka Ducas MBE inspired cocktails "Apple Blossom" and "Elephant Gin" are also concocted for an upgraded experience.

To extend the delightful afternoon, guests may visit Annoushka's boutique at IFC, a 10-minute walk from the hotel, after dining as they will receive an Annoushka gift voucher valued at HK\$1,000.

**About Annoushka**

Annoushka is the creation of jewellery designer Annoushka Ducas MBE, a jewellery house renowned for intricate, versatile jewels made exclusively in 18 carat gold with diamonds and precious stones. Bursting with character and detail, Annoushka's work is a unique, sensory pleasure — whether it's a series of articulated claws on a pink sapphire crab locket, the delicate tinkle made by a tiny diamond clapper in a tulip drop or a smooth piece of ebony embedded in the inside of a ring. Annoushka designs from the heart, with a passion for colour and storytelling, gently tapping into contemporary currents of thought with pieces that speak to the emotional, social and talismanic power of jewellery.
